Corporate Capabilities Statement

About Us - Clearsoft Inc. is an Information Technology (IT) Consulting company based in the D.C. area. Our solutions are making a difference for the U.S. Department Of Homeland Security and other Federal departments as well as major corporations in Telecommunications, Media, Healthcare, Finance/Mortgage, and Hosted Services. We stand apart from other firms because we are able to attract and retain the very best IT Professionals in the industry, and because of our embrace of Service Oriented Architecture (SOA).

Expertise - At the core of our management team are subject matter experts in the areas of Project Management, Software Development, QA, Business and Process Analysis, and Systems Operations.
